DIE SUID-AFRIKAANSE
INSTITUUT VAN
LANDBOU-INGENIEURS

INVITATION TO ATTEND

SAIAE Continuing Professional Development (CPD) Event 2010

“Technology and Energy for Food Production”

28 – 30 September 2010
Pumulani Lodge - Pretoria

GENERAL

The Pretoria Branch of the South African Institute of Agricultural Engineers (SAIAE) would like to invite you to the SAIAE's 5th Continuing Professional Development (CPD) event. This ECSA accredited event gives all registered engineering individuals the opportunity to accumulate CPD points necessary for maintaining professional registration as required by the Engineering Council of South Africa (ECSA)

THEME OF THE CPD EVENT

“Technology and Energy for Food Production” will be the theme of the 2010 event. The emphasis will be on the promotion and management of technology within a dynamic agricultural environment. Sub-themes are as follow:

- Renewable and non-renewable energy (The optimal utilization of energy).
- Natural resources (Water available and water quality, soil conservation, soil agricultural and availability, climate change).
- Mechanisation technology (New applications logic systems/processes, new products and mechanisation).
- Rural development (Philosophy of development, human interaction, new products/projects, sustainability, food security, generic development/guidelines/project planning/project management, training/research and information dissemination).

REGISTRATION

Registration fees:

Delegate 28 – 30 September (accommodation not included) **R2000/person**

Registration entitlements:

- Access to all conference sessions
